New Year's Resolution

Making a New Year's resolution is something many people do at the beginning of a new year. Decide what you want to do differently in the upcoming year, and any improvements you would like to make. For example, perhaps you would like to be a better pet owner, so you make a "resolution" to walk your dog every day. You can make one or more New Year's resolutions.

Directions: Decide upon one or more resolutions and write about it.
